

The logo consists of a stylized human figure with arms raised, enclosed within a hexagonal frame. The figure and frame are rendered in a gradient of green and yellow.

ACTIVE PCP

A silhouette of three firefighters in full protective gear, including helmets and oxygen tanks. They are standing against a background that transitions from teal at the top to orange at the bottom. To the left of the firefighters are three circular icons: two people, a location pin, and a heart with a pulse line. To the right is a shield icon with a checkmark.

Tender Document 3 (TD 3): Technical Offer

This project has received funding from the European Union's Horizon Europe Research and Innovation Programme under Grant Agreement No 101226110.

[TECHNICAL OFFER] TD 3

Technical Offer

This form is related to the technical offer for Phase 1/2/3. Each section is required and shall be completed as stated below. Please, note that specific description should be done to implement Phase 1/2/3 of the ACTIVE PCP.

The Tenderer should upload an attachment with the required response to each technical section.

You may use up to 40 pages (this includes cover page, table of contents, etc.). Minimum font size (11pt) and page margins (15mm). Supporting annexes are excluded from the 40-page limit. Annexes should contain only supporting evidence/documentation and should not be used to provide substantive responses to the technical sections or to circumvent the applicable page limit.

Part 1

A technical plan that outlines: 1. the tenderer's idea for addressing all the requirements given in the PCP challenge description, relating both to functionality and performance; and 2. technical details of how this would be implemented

Part 2

A draft business plan that explains the proposed approach to commercially exploit the results of the PCP and to bring a viable product or service onto the market

Part 3

A list of the pre-existing rights (*background*) relevant to the tenderer's proposed solution, in order to allow IPR dependencies to be assessed

Part 4

A risk assessment and risk mitigation strategy

Part 5

"Does this tender involve **ethical issues**? (YES/NO)"

if YES, an ethics self-assessment should be provided, with explanations on how the ethical issues will be addressed
